Custom Closets

The bedroom is the most personal room in the home and the closet is an extension of that. It’s where your day begins and ends. Where your energies align and the sense of harmony and balance shape your day.

Three distinctive systems to choose from

Everyday Collection™

If you want an easy answer to closet clutter, our Everyday Collection™ is right for you. It’s basic yet useful design will give your closet a fresh look at a great price.

Classic Collection™

Combine simplicity and style with our Classic Collection™. It unites essential organization with stylish design to create the closet you’ve been looking for.

Regency Collection™

The Regency Collection™ is excellence in closet design. It’s progressive details and refined beauty not only create a closet, but a complete area of organization sure to satisfy even the most extravagant tastes.

Premium Package

Available for Classic and Regency Collections™ only. Featuring inset doors and drawers. All shelves and panels come with Soft edge and includes Accent Top Shelf.
Everyday Collection Closet

Offering excellence both in value and practicality, this bedroom closet includes a Belt Rack and Tie Rack, adjustable Shelves behind Lucite doors, easily accessible Drawers, Tilt-Out Hamper and Shoe Shelves.

From concept to finish, we are with you every step of the way.
Everyday Collection™ Walk in Closet

Match form and function with this Walk-in Closet. This system includes Tilt-Out Hamper and Security Drawer to protect your valuables.
Everyday Collection® Walk in Closet

Compliment your personal style with this traditional look. This Everyday Collection Walk-in Closet comes with Deco Doors and Drawers and includes a Tilt-Out Hamper, Slanted Shoe Shelves and stylish Crown and Base Molding to complete the look.
Classic Collection® Walk in Closet

Structure and style best define this Classic Walk-in Closet. This system includes a built-in Tilt-Out Hamper, Deco Doors and Drawers and stylish Crown and Base Molding to compliment your home.
Regency Collection - Walk in Closet

Make a statement with the rich look of this Regency Walk-in Closet. This system incorporates 1 1/8" thick panels with ¾" Shelving for a look that is bold and sophisticated. Combine style and function with a Tilt-Out Hamper, Deco Doors with Fluted Glass Inserts, Deco Drawers and Crown and Base Molding for a beautiful finish.
Everyday Collection® Closet

Give a favorable and functional shape to your space with the simplistic and clean look of this design. System includes Drawers, Shelves, Shoe Shelves and various hanging heights to accommodate coats, jackets, shirts and slacks.
Everyday Collection® Closet

Harmonize your decorating style with this Everyday Closet. Designed and built with Deco Drawers and Doors with Matte Glass Inserts, Slanted Shoe Shelves, Chrome Wire Baskets, Deco Crown and Base Molding.

Garage Cabinets, Flooring and Wall Organizing Systems

The garage is more than just a shelter for our vehicles. The garage is where we store household goods, athletic gear, gardening supplies and tools. It’s where your projects come alive, where you recycle and where you build things. And more importantly, it is where you exit and enter your home everyday.

Four garage systems to choose from

**Everyday II**
- Exterior: White Melamine (Panels, doors, drawers)
- Interior: Natural (Shelves and backing)
- Aluminum trim for added shelf support
- 3/4" Straight edge panels and shelves

**Regency II**
- Exterior: White Melamine (Panels, doors, drawers)
- Interior: Natural (Shelves and backing)
- 3/4" Straight edge panels
- 3/4" Soft edge doors and drawers
- 1 1/8" Straight edge shelves

**Classic II**
- Exterior: White Melamine (Panels, doors, drawers)
- Interior: Natural (Shelves and backing)
- Aluminum trim for added shelf support
- 3/4" Straight edge panels and shelves
- 3/4" Soft edge doors and drawers

**Silver II**
- Exterior: Black Melamine (Panels, shelves and drawer boxes)
- Interior: Black Melamine
- Door and Drawer Faces: Brushed Aluminum
- Deco: #300 or #400
- Includes: 6" Satin Nickel Bar Pull handles, ball bearing slides and aluminum trim for added shelf support.

**designwall**
- designwall® is a complete wall storage and organization system for garages, utility and laundry rooms.

**designfloor**
- designfloor® garage tiles are a simple solution for turning your garage into another room of your house. designfloor® is offered in two different types of tile, each providing you with a large selection of colors, styles and patterns to make your garage the envy of your neighborhood.
Garage Cabinets

Take your garage a step further and transform it into your workshop, garden center or arts and crafts room; all with plenty of storage space. Expand your options with this L-Shaped Garage Cabinet arrangement with Deco Doors and Drawers. Shown with designwall™, Racor™ wall mount organizers and easy to maintain Traxtile™ Flooring in Grey.
EverydayII™ Garage Cabinets

Take back your parking space with this spacious U-Shaped EverydayII™ Garage System. This design offers abundant vertical storage space with easy accessibility. Designed with Double-Decker Extra Deep Upper Cabinets over Tall Cabinets for additional out of the way storage overhead. Our below the counter Rolling Cabinet enables you to store your tools and craft supplies and roll it up close to your project for easy reach. Shown with Racor™ Wall Accessories, Workbenches with easy to maintain Laminate Countertops with designwall™ and Flextile™ in a Slate Pattern for your floor.
ClassicII™ Garage Cabinets

For mechanical tasks and wood-shop projects, this ClassicII™ Garage Cabinet System offers plenty of work and storage space. Cabinets shown include Soft Edge Doors and Drawers with Matte Nickel Handles and Knobs, a workbench with a Butcher-Block Countertop with designwall™ for wall storage, a 1 1/8" Top Shelf for additional storage and Flextile™ in a Coin Pattern to complete the look.
Regency II Garage Cabinets

A garage is more than just shelter for your vehicles, that’s why we custom design and build our Garage Systems based on your specific needs. This Regency II™ Garage System includes Deco Doors and Drawers, a Recycling Center, a Workbench with a Deco Valance and Laminate Countertop. Small Crown molding, designwall™, and our Flextile™ in a Slate Pattern turn an ordinary garage into a showplace.
Garage Cabinets

Get your storage system working with this task ready garage. This system is designed with Butcher Block Countertops with designwall™, built in Recycling Center and a combination of Tall, Upper and Lower Cabinets with Deco Doors and Drawers. Finished off with a stylish Traxtile™ that’s both easy to clean and pleasing to the eye.
A stylish design, this Regency II™ Garage System is designed with Bar Pull Handles on Tall and Upper Cabinetry that also allows ample storage above. This selection has designwall™ with Accessories and a Deco Valance over the Workbench. The Red Laminate Countertop compliments the Black-with-Red Accented Traxtile™ flooring.

Regency II Garage Cabinets

System designed to accommodate a garage door railing with Flextile™ Diamond Pattern flooring.
Garage Cabinets

When it comes to home storage, it’s all about maximizing your available space, both vertically and horizontally. Neatly store your athletic gear, tools, household goods and seasonal items on sturdy shelves inside these Tall Cabinets, all behind closed doors.
Garage Cabinets

Finding creative ways to manage your home storage space is so important, Closets by Design® can help you do this with our custom Garage Cabinets. Any garage can be maximized to hold more than you might imagine with Tall Storage Cabinets, Upper Cabinets, Drawers and Shelves. Shown here with a Laminate Countertop with sturdy Pegboard Backing for organizing your tools above the Workbench.
Garage Cabinets

This spiffy Garage Cabinet System is complimented with Tall, Upper and Lower Cabinets, an Optional Platform, a nicely functional Laminate Workbench, and Pegboard for extra organization options.
Garage Cabinets

Turn your garage into a fully functional yet efficient workroom that offers valuable counter space, shelving and storage. Recessed Cabinets above the Workbench give you ample room to make your project come to life. Cabinets shown with Deco Drawers and Doors, Deco Doors with Glass Inserts and Crown Molding for a nice finish.
Garage Cabinets

Transform a cluttered and inefficient garage into a Closets by Design® Garage. Make the most of your storage space with our Tall and Upper Cabinets with Adjustable Shelves, Doors and Lower Cabinets with Drawers. This system is design and built on an Optional Platform and Workbench with Pegboard Backing for your tools.

48” Wide Tall Cabinets

Pull-out Trays Behind Doors
Garage Cabinets

A Closets by Design® garage will cut down the clutter dramatically. This Floor-Based System designed with plenty of counter and storage space is ideal for any home. Whether your hobbies include gardening or woodworking, this system can accommodate your needs.

Available with Pegboard
SilverII Garage Cabinets

Stunning is one way that describes this masterpiece. The SilverII™ Garage System comes in Black Melamine with Brushed Aluminum Deco Door and Drawer fronts. Always included with SilverII™ are stylish Bar Pull Handles, Ball Bearing Slides and matching Black Drawer Boxes. Featuring an Extra-Wide Workbench with Black Microdot HPL Formica® Countertop and designwall™, this system also offers a thick 1 1/8” Top Shelf for additional storage space above the cabinets. Traxtile™ Flooring in Silver and Grey with Black Accent makes this more than just a garage.
SilverII Garage Cabinets

Modern, durable and functional, this SilverII™ Garage System is designed in Black Melamine with Brushed-Aluminum Deco-400 Door and Drawer Fronts. Featuring Laminate Countertop with designwall™ and Valance over the spacious Workbench. This system is completed with a Traxtile™ in Silver-Grey, with Blue Accent to match the Countertop and Valance.
Garage Cabinets

This SilverII™ Garage System in Black Melamine with Brushed-Aluminum Deco400 Door and Drawer Fronts features an L-Shaped Butcher-Block Countertop with designwall™ and Valance over the Workbench. With 6” Bar-Pull Handles and storage under the countertop, tools and supplies are easily accessible. The Flextile™ Flooring is in Light-Grey, with a Diamond-Plate Pattern.
